

For Immediate Release: Argo Insurance Brokers Introduces First of its Kind Green Architects & Engineers Professional Liability Policy

April 6, 2009

Argo Insurance Brokers, Inc is pleased to announce the launch of its exclusive Green Architects & Engineer's Professional Liability insurance program that includes a substantial premium discount for USGBC members.

Argo has partnered with an "A" rated insurer to develop an exclusive professional liability program that fills gaps in traditional A&E professional liability contracts. The exclusive "Green Design" endorsement broadens the definition of professional services to include a variety of activities customary to green design. The program includes coverage on a worldwide basis, duty-to-defend and pay-on-behalf wording, and retroactive coverage is available. The policy will be available nationwide.
